

COME TO YOUR CENSUS

FOR FREEDOMS,

You may have heard a lot about this 2020 Census thing.

It kicks off March 12 and it's a big deal.

This 9-question confidential survey takes 10 minutes to do. When you complete your Census—online, by phone, or by mail—each person in your household (including you) brings \$20,000 into your community over the next ten years.

Plus, an undercount in the 2020 Census will likely cost California one of its seats in the House of Representatives (which would go to another state!) for the next decade. When you complete the Census, you protect your voice, voting power, and equal representation in government.

Everyone has the right to safely participate. Yes, everyone—citizen or not—even babies count. And despite what you may have heard, there is no citizenship question on the 2020 Census.

It's time to get your fair share.
It's time to come to your Census, For Freedoms.
