

COME TO YOUR CENSUS, PHILLY.

The deadline to complete your census is September 30. Don't delay, complete the census TODAY!

The Census is a 9-question confidential survey that takes 10 minutes to complete.

When you fill out the Census, each person in your household (including you) brings \$21,000 into your community over the next ten years. Everyone has the right to safely participate. Yes, everyone—citizen or not—even babies count. And despite what you may have heard, there is no citizenship question on the 2020 Census. It's time to get your fair share. It's time to come to your Census.
